Dear Parent/Carer,

Presentation on S2 Subject Choice Process and School Careers Event
Tuesday 24 November

I spoke with S2 pupils at assembly this week to highlight the upcoming School Careers Event. The event will feature around 50 stalls representing local and national businesses, employers, colleges and universities. The event will take place from **6.00pm to 7.30pm**.

This is an excellent opportunity for pupils, whether they already have a particular career in mind or are looking for inspiration about future pathways. I encouraged all S2 pupils to see attendance at this event as an important part of making informed choices about the subjects they will study in S3 and S4.

As part of the evening, I will deliver a short presentation for S2 pupils and their families at **6.30pm**, outlining the Subject Choice process that will begin in December and continue through to February.

I would encourage all S2 pupils and their parents/carers to attend if possible. The Careers Event and presentation will provide valuable information to help pupils make informed decisions about their future learning and career pathways.

Yours sincerely

Derek Milligan
