Paris Trip 2027

Dear Parent/Carer,

I am delighted to share that we are planning a French immersion visit to Paris for pupils in S2&3 next session from 10th May 2027 to 14th May 2027. This exciting opportunity will support your child in developing their confidence in French while experiencing the rich culture, language, and atmosphere of everyday life in France. We hope it will inspire a real sense of curiosity and wonder as pupils explore one of Europe's most iconic cities.

If you would like your child to be considered for this visit, please complete the Microsoft Form using the link at the bottom of this page by Monday 1st June. There are 44 places available. If interest exceeds this number, places will be allocated through a random ballot. At this stage, we are only asking for expressions of interest and no payment is required.

Renfrew High School has a proud history of international visits, and we look forward to offering pupils a memorable and enriching experience where they can represent the school and fully embrace this unique opportunity.
