Dear Parent/Carer,

I met with our S1 pupils on Monday to reflect on the fantastic start they have made to their time at Renfrew High School. It was a valuable opportunity to recognise how well pupils have settled into secondary school and to reinforce some of our key school values and expectations. During the meeting, pupils were reminded of our expectations regarding school uniform and the use of mobile phones, as well as the importance of demonstrating our school values throughout the school day. We also took the opportunity to talk pupils through our fire evacuation procedures to ensure they understand what is expected of them in the event of an emergency.

Our S1 pupils have made an extremely positive start to their time at Renfrew High School, and we are very proud of the way they have embraced the transition to secondary school. We look forward to continuing to support them as they progress through their first year.

S1 Welcome Event

Below you will find details of our upcoming S1 Welcome Event on **Tuesday 15th September**. This event will provide pupils with an opportunity to spend time together and further develop relationships with their peers, while also giving us the opportunity to welcome parents and carers into the school and share some useful information about S1 and life at Renfrew High School.

We hope that this will be an enjoyable and informative event for both pupils and their families, and we look forward to welcoming you.

- 6.00–7.30pm: Pupils will enjoy music, games, and activities in the social area, led by senior pupils and a DJ.
- 6.00pm: Parents and carers are invited to the school theatre for a short presentation from myself and the Headteacher about life in S1. After the presentation parents/carers are welcome to leave before picking up pupils at 7.30pm.

Satchel One

Satchel One is an online platform used by the school where we will share homework information and information about school events.

Pupils have been able to log into Satchel One during their ICT periods and should now be able to access school information. If any pupil has not done this yet they should speak to their ICT teacher next time they are in class.

I hope to see many of you at the Welcome Event next week.

Yours Sincerely

Katy Robertson
